NCG Website Homepage Selector | NCG Website Design Toolkit

This Homepage Recommendation is based on your responses to the **NCG Website Homepage Selector** and the information you provided about your institution.

It gives you a preview of what your institution's homepage could look and feel like. The recommended colour palette, sections and overall visual style are based on your responses. The aim, amount of photo content available, and your preferred colour style.

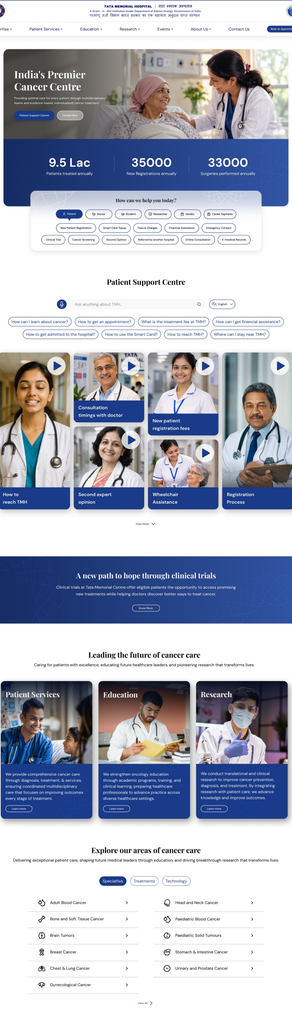

The preview is shown on a desktop screen. The recommended design is responsive and will also adapt to mobile screens.

Disclaimer: The images, text and sections shown in this preview are examples and have not been customised for your institution. You can use the **NCG Website Design Toolkit** to customise the content, sections and images to suit your institution's needs.

Recommended Homepage Preview

Homepage Template:
Large

Colour Palette:
Vibrant | Indigo

Homepage Template: Large

The Large template is ideal for institutions with a broad range of services and a need to showcase multiple areas of expertise. It includes a hero section with a strong visual, a clear value proposition, and quick access to key services. The layout is designed to guide visitors to the most relevant information for their needs, whether they are patients, researchers, or healthcare professionals.

Colour Palette: Vibrant | Indigo

The Vibrant | Indigo colour palette is bold and energetic, with a strong emphasis on indigo tones. It is designed to create a sense of vitality and innovation, making it suitable for institutions that want to project a dynamic and forward-thinking image. The palette includes a range of indigo shades, complemented by vibrant accent colours for calls to action and highlights.
