NCG Website Design Toolkit >

This Homepage Recommendation is based on your responses to the **NCG Website Homepage Selector** and the information you provided about your institution.

It gives you a preview of what your institution's homepage could look and feel like. The recommended colour palette, sections and overall visual style are based on your institution's scale, the amount of photo content available, and your preferred colour style.

The preview is shown on a desktop screen. The recommended design is responsive and will also adapt to mobile screens.

Disclaimer: The images, text and sections shown in this preview are examples and have not been customised for your institution. You can use the **NCG Website Design Toolkit** to customise the content, sections and images to suit your institution's needs.

ABOUT US

What we do

Founded with a simple belief — that quality healthcare should be within everyone's reach — our hospital has been serving the community for over 15 years. What started as a small clinic has grown into a trusted neighbourhood hospital, offering general medicine, diagnostics, oncology, and supportive care under one
