This Homepage Recommendation is based on your responses to the **NCG Website Homepage Selector** and the information you provided about your institution.

It gives you a preview of what your institution's homepage could look and feel like. The recommended colour palette, sections and overall visual style are based on your institution's scale, the amount of photo content available, and your preferred colour style.

You can use the **NCG Website Design Toolkit** to customise the content, sections and images to suit your institution's needs.

The image shows the top portion of a FAQ section. At the top, the word 'FAQ' is centered in a large, bold, black serif font. Below it, a line of text reads 'Explore answers organised for patients, caregivers, students, doctors, and researchers.' Underneath this text are four rounded rectangular buttons: 'All' (light blue), 'For Patients' (dark blue with white text), 'For Doctors' (light blue), and 'For Donators' (light blue). Below the buttons, the first FAQ item is visible: 'What services does Arogya Lifeline Hospital provide?' followed by a downward-pointing chevron icon. The rest of the FAQ items are obscured by a grey rectangular redaction box.
