NCG Website Homepage Selector >   NCG Website Design Toolkit >

This Homepage Recommendation is based on your responses to the **NCG Website Homepage Selector** and the information you provided about your institution.

It gives you a preview of what your institution's homepage could look and feel like. The recommended colour palette, sections and overall visual style are based on your institution's scale, the amount of photo content available, and your preferred colour style.

The preview is shown on a desktop screen. The recommended design is responsive and will also adapt to mobile screens.

Disclaimer: The images, text and sections shown in this preview are examples and have not been customised for your institution. You can use the **NCG Website Design Toolkit** to customise the content, sections and images to suit your institution's needs.

A new path to hope through clinical trials

Clinical trials at Tata Memorial Centre offer eligible patients the opportunity to access promising new treatments while helping doctors discover better ways to treat cancer.

Leading the future of cancer care

Caring for patients with excellence, educating future healthcare leaders, and pioneering research that transforms lives.

Patient Services

We provide comprehensive cancer care through diagnosis, treatment, & services, ensuring coordinated multidisciplinary care that focuses on improving outcomes every stage of treatment.

Education

We strengthen oncology education through academic programs, training, and clinical learning, preparing healthcare professionals to advance practice across diverse healthcare settings.

Research

We conduct translational and clinical research to improve cancer prevention, diagnosis, and treatment. By integrating research with patient care, we advance knowledge and improve outcomes.

Explore our areas of cancer care

Delivering exceptional patient care, shaping future medical leaders through education, and driving breakthrough research that transforms lives.

DIRECTOR'S MESSAGE

Dr. C S Pramesh

Tata Memorial Centre is amongst the oldest and largest cancer centres in the world, with over 80 years of exceptional patient care, high-quality training and innovative cancer research. Over the years, it has grown in size and stature, maintaining its pre-eminent position at the forefront of national and global cancer control efforts.

Compassionate patient care remains the major focus of Tata Memorial Centre, with eleven Disease Management Groups (or multidisciplinary teams) breaking departmental silos and providing optimal care for every patient. This emphasis on team approach leverages the extensive experience and expertise of various specialists, thereby providing patients with evidence-based, yet individualized care, tailored not just to the cancer but also the patient's unique physical, emotional and psychosocial needs.

Patient Stories

Real experiences that reflect the strength, hope, and humanity behind every cancer journey.

Felt supported and truly cared for at every step.
